Filtration:	0.5 Micron
Flow Rate:	60L/Sec
Dimensions (h x l x d):	640x375x470mm
Weight:	9kg

## POWER CLEANING TOOLS

### STIHL RE98 PRESSURE WASHER

Code: RE98

The RE 98 is perfectly designed for occasional cleaning jobs around the house and garden. This compact pressure washer is powered by a long lasting and quiet induction motor. Supplied with a rotary nozzle, fan jet nozzle and detergent bottle as standard, for various jobs. The 6 m high-pressure textile mesh hose gives plenty of room for movement. An in-built accessory holder allows for neat storage of the nozzles.

#### Technical data

Power output (kW)	1.7
Operating pressure (bar)	10-110
Maximum pressure (bar)	120
Min. water throughput (l/h)	380
Max. water supply temperature (°C)	40
Weight (Kg)	16.2
Power cable length (m)	5
High-pressure hose length (m)	6
Sound pressure level dB(A)	70.1
Sound power level dB(A)	82.9
Engine speed min-1	2.800
Mains voltage V/Hz	230/1-/50

### NUMATIC WV470 WET & DRY VACUUM

Code: WV470

The WV-470 provides a larger alternative to the 370-380 series, with twice the capacity but to the same high performance standard be it wet or dry.

What is very important is for professional use we do not mix both the functions of wet and dry operation otherwise the result can be a container full of almost MUD which becomes difficult to empty and will be detrimental to performance. All machines are wet or dry and the change from one to the other is designed to be simplicity itself exchanging a dry filter for wet safety float valve and a change of floor nozzle, or vice versa.

Although twice the capacity we have added a folding handle design allowing easy movement when in use whilst also allowing compact storage.

The accessory kit provides tools for both wet and dry operation with stainless steel tube sets as standard.

- Wet or Dry - Professional results in either mode. Accessories provided for both wet and dry use.
- Compact & Capable - Compact with a small foot-print the 470 provides an impressive 20L Wet / 27L Dry capacity.
- Folding Handle - The transit handle makes life easy when you need it and folds away when you don't... simple!
- On the Move - Not everywhere will be flat and smooth, large rear wheels and directional castors make transporting the 470 easy, even when full.

## BUCKETS AND POLY BAGS

### GORILLA TUBS

Code: TUB

Genuine Gorilla Tub  
- Hi-Viz  
- Food Safe (Yellow Only)  
- Frost/UV Resistant
